

Done-For-You Business Support Plan

Work along Side You Service

If you've completed your business plan and know what needs to be done, but are struggling with specific tasks, this service is designed to help you keep moving forward.

Rather than spending weeks trying to overcome obstacles on your own, I can step in and assist with practical tasks, research, problem-solving, and implementation, allowing you to stay focused on growing your business.

You remain in control of your business and decisions—I'm simply there to help you overcome the bottlenecks that are slowing your progress.

Ideal For

This service is suitable if:

- You know what needs to be done but don't know how to do it.
- You're stuck on a particular task or challenge.
- You need a second pair of hands to help move things forward.
- You want practical support rather than more theory.
- You would like help implementing recommendations from your Business Plan.

Examples of Tasks

Depending on your needs, I may be able to assist with:

- Research and information gathering
- Business planning and organisation
- Website content and structure
- Business documentation
- Process development
