

End-to-End Business Support Plan

Perfect for those who want structured guidance, ongoing support, and practical assistance throughout the process of building their business.

Rather than working through the challenges alone, you'll receive support through each stage of the journey using my proven 7-step framework. From refining your business idea and creating a realistic plan, through to implementing key tasks and preparing for your first customers, you'll have an experienced guide by your side.

What's Included?

- Structured support through all 7 stages of the business-building process
- Personalised guidance tailored to your circumstances
- Practical, hands-on assistance with agreed tasks
- Help overcoming roadblocks and maintaining momentum
- Business and marketing support when needed
- Regular progress reviews and accountability
- Ongoing access to ask questions and receive feedback

Ideal For

This service is suitable if:

- You want more than just advice
- You value having an experienced sounding board
- You need regular support and accountability
- You would like help implementing key tasks
- You want to avoid costly mistakes and unnecessary delays
- You're serious about launching and growing your business

How It Works

The scope of support and expected deliverables are agreed in advance, ensuring both clarity and flexibility throughout the engagement. You'll remain in control of your business decisions, while benefiting from structured guidance and practical assistance designed to keep your progress moving forward.

The Goal

To help you move from business idea to implementation with confidence, clarity, and ongoing support—so you're never left feeling as though you're building your business alone.

Build Your 'Genuine' Beginner-Friendly Business

Once you've identified a business idea—or even a few possibilities—I can help you turn those ideas into a practical, step-by-step action plan.

Done-For-You Business Support

If you've completed your business plan and know what needs to be done, but are struggling with specific tasks, this service is designed to help you keep moving forward.

Rather than spending weeks trying to overcome obstacles on your own, I can step in and assist with practical tasks, research, problem-solving, and implementation, allowing you to stay focused on growing your business.
